Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the Company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

#### TIMBER SALE LICENCE A04305

A PUBLIC AUCTION will be held by the District Forester at Nelson, British Columbia, at 11.30 a.m., or as soon as possible thereafter, the 29th day of September 1972, for the purchase of Licence A04305, to authorize the harvesting of not more than 10,640,000 cubic feet of timber each year for a 3-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on areas within the Kinbasket Public Sustained-yield Unit in accordance with a development plan to be submitted by the successful tenderer.

A tenderer must be the operator of a sawmill with barking and chipping facilities that is able to utilize logs to a 4-inch top diameter. Each tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his sawmill operating.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Chief Forester, Victoria, British Columbia; the District Forester, Nelson, British Columbia; or the Forest Ranger, Golden, British Columbia. au3—3507
